

SKETCHBOOK ADVENTURES

Elements of Design Question Tutorial

What to do:

1. Put your sketchbook page on white background.
2. Close your eyes for 10 seconds.
3. Look at it and ask the questions below.
4. Repeat after you make adjustments to the page.

Questions to ask:

1. What is your initial reaction to the piece?
2. What do you see first?
3. Where do your eyes travel next?
4. Does any one thing seem to stick out and hold your focus for too long?
5. Does anything seem out of place?
6. Does it feel finished to you?
7. What feelings and emotions come up when you look at the piece?
8. Does it feel cohesive?
9. Do the elements work together?
10. Do the colors feel harmonious?
11. What can you change to make the work feel more balanced?
