

CRAFT SHOW SUCCESS

Unique Craft Show Booth Displays Ideas

- Balsa wood
- Pvc pipe with fabric drilled into your table, hanging from tent frame
- Pvc pipe with fabric covers to hang things and drill holes into your table
- Pvc pipe to make a backdrop or dressing room with fabric hung across it
- Embroidery hoop sign
- Chalkboards
- Craft paper on popsicle sticks
- Little cards with info about the item next to them, maybe glued on wood
- Frames with wire across
- Cut wooden pieces
- Painted wooden thrift store bowls
- Drawers
- Suitcases
- Easels
- Create something out of cardboard and paint it
- Use peg board, paint it and hang from your tent frame on s-hooks or create a free-standing display like an a-frame or double or tri-fold screen
- Pieces of sliced wood
- Ladders with wood on the slats to create shelves
- Two ladders with round dowels across them to create a place to hang clothing
- Frame with corkboard or foam core covered in fabric or with string or twine strung across it
- Altoids tin decorated for your business cards
- Wire baskets
- Cake stands
- Repurposed wooden pallets
- Clipboards (good to hang necklaces, print or artwork or even paint with chalkboard paint and use as a sign)
- Window shutters
- Create a wooden T and set inside a pot or container, fill the pot with rocks to create a tabletop display for t-shirts, scarves or a variety of other items.
- Crates, wooden or plastic
- Stacked wire cubbies
