

SKETCHBOOK ADVENTURES

10 Ways to Add Text and Lettering to Your Sketchbook Pages

- Hand lettering
- Letter stickers
- Letter stamps
- Letraset transfer letters
- Collage words, phrases or letters from a magazine, newspaper or other printed material
- Collage text you create and print with your computer
- Letter stencils
- Collage text you type on a typewriter
- Use a [digital label maker](#) or a cool old school one like [this](#)
- If you're handy with a needle and thread you can even hand-sew letters onto your page
